Booking your ticket to ensure you get the VIP escort of your choice rather than settling for what is available. Booking in advance helps to make sure that the date goes smoothly. We guarantee that your date will arrive on time and will be the exact model of the escort of your choice, not your second or third choice. It is worth noting that our most beautiful and popular often booked well in advance, so if you have your heart set on one lady in particular, make sure you call us in advance to make do If you are a last minute type do not be afraid, we will always try our best to accommodate you in a short time, although we strongly recommend making a pre-booking. Booking takes all the guesswork out of your dating experience and allows you to relax knowing that everything is already set up well in advance. If you don't make a pre-booking our general rule is it will take the girl up to 30 minutes to prepare for the date and then add on the driving time to yours. It will take almost an hour to get the food delivered when you order so please be realistic if you call us at the last minute to arrange a date with one of our models. We will tilt back to make you a happy customer and provide you with a time estimate when you call. Having said everything we still offer extended bookings, so you'll know exactly when your date will arrive. Call us today. to make a reservation with the woman of your dreams. Please help us fully meet your expectations. our tips and advice ARE DISCREET AND UPSCALE NEW YORK ESCORT SERVICE There is nothing easier and we mean that. We've been doing this for years, and we know for sure, we know to run our business. We know exactly what you want and we know how to get you what you want. We also know that this may be your first time with a service of this kind and that you may be nervous. All people get nervous for the first time, and even the ones that have been doing these things for years get a little nervous. Trust that our girls at NY Elite Model Club are fully trained and have nothing but your best interests in mind. Well, they have all your interests in mind, and they know what that means. There are two very simple ways to get the ball rolling. You can pick up the phone and call us, or you can use our website to arrange your meeting. We recommend that you use the website to choose your girlfriend before contacting us or we can choose for you. This may be a surprise or it may be based on your preferences. It's that simple. You can choose a date, you can choose a place and leave everything else up to us. If a girl or girl is for another person, please make sure it is not something that is going to offend them and we will also take care of the rest. We often have people set up dates for people as a surprise and it's perfectly normal, it's just a question of you mailing sure that the person is not easily offended and that part of your job. BEST MANHATTAN ESCORTS AVAILABLE You have taken the first step in what may be one of the greatest moments of your life. All the girls you've ever watched and wanted you to be able to spend some time with right at your fingertips. Just stop reading for a moment and think about opportunities, think about memories, take some photos and show your friends so they can just imagine the night that you had. It's all right there for just a few dollars. There's nothing simpler. Imagine the cost it takes to go out and try to make it happen without our service. Inconveniences talking to the girl after the girl and just hoping that one will take the internet. The price of dinner and film movies somewhere in the twenty bucks per person range just to see the show and we can only imagine how much that dinner for two will set you back. How many dates before it gets interesting? How long do you have to keep up a good guy's act before he becomes real? This life can become very old, very fast. Isn't it just easier to spend a little less money, a little more fun and keep it all honest? The girl that you don't have to watch is what you say around, the girl who loves you for who you are and not who you should pretend is that it's a promise of a service like this. It's the truth behind the relationship's lies. It's all about the bottom line and it's all about keeping things real. It's all about giving us a challenge and making the right move, keeping things easy and keeping things over the boards. WE HAVE THE HOTTEST PARTY GIRLS IN NEW YORK 24/7 Girls love parties.
